

Join us for a webinar about the **Early Learning Assessment (ELA)**

A FREE tool for supporting
young children's growth!

WHAT

is the ELA?

- A FREE tool from MSDE & Johns Hopkins University
- Designed to help providers track preschoolers' growth in 7 key areas:

Language and Literacy

Physical Well-Being
and Motor Development

Social Foundations

Fine Arts

Mathematics

Social Studies

Science

- Helps providers create lesson and activity plans to support children's learning needs

WHY

use the ELA?

- Track a child's growth
- Design individualized learning opportunities
- Plan ways to help a child that is struggling
- Create a pathway for lifetime success
- Engage families

WHO

should attend?

- Family Child Care Providers
- Child Care Center Directors and Staff
- Head Start Directors and Staff

WHEN

is the webinar?

Monday, January 9, 2017
2:30 pm - 3:30 pm
