

***NEW* Early Childhood-Special Education (ECSE) Bachelor's Degree Pathway: ECSE Access for Maryland Child Care Workers**

- Currently working at a Maryland State Department of Education (MSDE) accredited child care center?*
- Interested in completing a bachelor's degree in early childhood-special education (ECSE)?*

The **NEW ECSE Access bachelor's degree pathway is designed specifically to support personnel working in accredited child care centers across the state of Maryland as they pursue an ECSE degree!*

Why ECSE Access?

- Part-time sequence of courses + on-the-job internships designed so students can continue working in their child care centers*
- Accessible, high-quality, evening coursework in online format*
- Cohort-based program*
- First cohort starting SUMMER 2023, projected graduation fall 2025:*
 - Fully funded tuition and fees + MDAEYC membership + student support stipends provided through MD Rebuilds grant funding.*
- Graduates eligible for dual certification in Early Childhood (Pre K-Grade 3) & Special Education (Birth-Grade 3) in Maryland*
