“Just Like Me” Introductions

I am going to say a statement. If you agree with it, or if it is something that happens to you, raise your hand and say:

“Just like me.”
“Just Like Me” Introductions

Example

I am in Hagerstown, Maryland.
“Just Like Me” Introductions

Example

I don’t care about children.
“Just Like Me” Introductions

I cried when the University of Maryland lost to LSU in the NCAA basketball tournament.
“Just Like Me” Introductions

I am a parent of a young child.
“Just Like Me” Introductions

I work am an early childhood educator.
“Just Like Me” Introductions

I work for a local human service agency.
“Just Like Me” Introductions

I work in the public education system as a teacher or administrator.
“Just Like Me” Introductions

I work in higher education.
I work for an organization that advocates for young children.
“Just Like Me” Introductions

I work for or with the public libraries.
"Just Like Me" Introductions

I want to make a positive difference in the lives of young children in Maryland by working to support their lifelong health and academic success.
Agenda

• Welcome

• State Partners Presentations

• Building a Birth through Five System
  • *Town Hall Discussion*
  • *Needs Assessment Survey*

• Community Partners

Birth through Five Vision

Maryland’s vision for its B-5 Early Childhood State System is a well-coordinated and integrated system of programs, supports, and services where

every child in the state has the opportunity to access a high-quality early childhood experience, arriving at school with a healthy body, healthy mind, and the foundational knowledge and skills needed to succeed;

and that every family has access to the resources needed to be effective as their child’s first and most important teacher and advocate.

A child’s access to quality early childhood experiences and the positive outcomes that result will no longer be contingent on income, race, zip code, disability status, nor English language proficiency.
Supporting the Whole Child

• The years from birth to age five are the most important period of brain development

• Early experiences lay the groundwork for a child’s lifelong success

• Children who enter kindergarten not demonstrating the social-emotional, cognitive, and physical skills needed for success will continue to struggle throughout their school years.

90% of a child’s brain development happens before age 5

Birth through Five Grant

https://earlychildhood.marylandpublicschool.org/pdg

Preschool Development Grants Birth through Five (PDG B-5)

In December of 2013, 42 States/Territories received a Preschool Development Birth through Five (PDG B-5) Initial Grant Awards from the U.S. Departments of Health and Human Services and Education (Departments).

The PDG B-5 grants, which differ significantly from the previous Preschool Development Grants, are designed to fund states to conduct a comprehensive statewide birth through five needs assessment followed by in-depth strategic planning, while enhancing parent choice and expanding the current mixed delivery system consisting of a wide range of provider types and settings, including child care centers and home-based child care providers, Head Start and Early Head Start, state pre-kindergarten, and home visiting service providers across the public, private and faith-based sectors.
Selected Projects

• **Needs Assessment:** 9 Regional Town Halls (March to May), Focus Groups, Surveys

• Grants to all 24 local Early Childhood Advisory Councils

• *Children Study their World* curriculum for 4-year-olds

• Modernization of the early childhood data system

• Supporting child care programs to reach higher levels in Maryland EXCELS

• Higher Education Inventory

• Family engagement activities

• Grants to libraries to support early childhood education

• Addressing the needs of English Learners
Focus Groups

• Working with MAEC, we will be conducting 20 focus groups in four regions with parents, family care providers, teachers in all settings, and other stakeholders

• Spanish language groups will be available for Parents and Family Care Providers

• Focus groups will be conducted in the:
  • West (Garrett, Allegany, Washington, Frederick)
  • East (Kent, Queen Anne’s Caroline, Talbot, Dorchester, Wicomico, Somerset, Worcester)
  • South (Montgomery, Howard, Anne Arundel Prince George’s Calvert, Charles and St. Mary’s)
  • North (Baltimore City, Baltimore County, Cecil, Harford, Carrol)
Focus Groups

To volunteer for a focus group you can –

• Use the QR code on the flyer being passed out by the staff

• Use the following link to register: http://bit.ly/2Omrkal

• Use the link after you’ve finished the survey

• Fill out a paper form on the back of the flier
Evidence-Based Home Visiting

• Strategy in the early childhood system of care to address maternal, child and family health and achievement outcomes

• Support prenatally and throughout the child’s first two to five years

• Voluntary program for at risk families

• Evidence-based models have been shown to improve maternal and child outcomes by connecting families to essential community services
Evidence-Based Home Visiting

Regular home visits ensure:

- Improve maternal health
- Strengthen parent-child relationships
- Promote healthy development of children’s cognitive, physical and social-emotional growth
- Reduce the risk factors for child abuse and neglect

*2013-2017 American Community Survey 5-Year Estimates

**2017 American Community Survey 1-Year Estimates
Maryland Snapshot

Families enrolled in Home Visiting in 2017:

• 4,602 families served
• 3,947 children age zero to five served
Child Health Measures

From 2017 state home visiting survey:

• 95 percent of children are up to date with most recent well-child visit

• 74 percent of children are screened for child development; 72 percent for social emotional development

• 14 percent of children screened suspected of developmental delay; four percent suspected of social emotional delay

• Five percent of children served receive IDEA Part B or C services
State Health Measures

Maternal and family health measures from 2017 state home visiting survey include:

• 73 percent of women screened for maternal depression
• 92 percent of women screened for substance use
• 85 percent of women screened for high parenting stress
• 72 percent of women have improved parent-child relationship
• 94 percent of women screened for intimate partner violence
Evidence-Based Programs

• Early Head Start (EHS)
• Healthy Families America (HFA)
• Home Instruction for Parents of Preschool Youngsters (HIPPY)
• Nurse Family Partnership (NFP)
• Parent as Teachers (PAT)
Maryland Legislation

Home Visiting Accountability Act of 2012

• Aligns Maryland state funding of evidence-based home visiting with federal policy

• Requires a biannual report to the governor on the outcomes related to state-funded home visiting
Mission

The Maryland Department of Human Services (DHS) is the state’s primary social service provider, serving over one million people annually. Through our 24 local departments of social services, we aggressively pursues opportunities to assist people in economic need, provide preventive services, and protect vulnerable children and adults in each of Maryland’s 23 counties and Baltimore City.
Supplement Nutrition Assistance Program (SNAP)

SFY 2018
Monthly Average

Number of Children Served- 280,312
Number of Families Served- 346,312
Temporary Assistance for Needy Families (TANF)

SFY 2018

Number of Children Served - 34,400

Number of Families Served - 18,512
Effective SFY 20 and in response to the Two-Gen Commission’s recommendation, the Governor’s Allowance includes $6.3 million to continue TANF customer benefits for three months after the participant obtains employment. This initiative rewards TANF customers who obtain employment and also assists families with their transition from welfare to work as it lessens the effect of the benefit cliff immediately upon obtaining employment.
SFY 2018

Number of Families Served MEAP (Heating) Benefits - 97,477

Number of Families Served EUSP (Electric) Benefits - 94,655

Stakeholder Survey

• Please take a moment to fill out the stakeholder survey.

• Your responses will help us improve early childhood services for children and families.

• Use your smartphone by opening your camera and pointing it to the QR code on your agenda.

• Or you can type in this link in your web browser: http://bit.ly/B25Survey

• If you don’t have a phone, or prefer a paper survey, please let us know.

• For each statement, please select: strongly agree / agree / disagree / strongly disagree or I don’t know

• Your responses are strictly confidential and anonymous.

• Thank you for your cooperation in completing the survey.
