

WIDA Early Years Online Learning Modules

- Perfect for Early Care and Education (ECE) community members who support young multilingual children, ages 2.5–5.5 years
- Professional learning that you can complete when you want, where you want, and at your own pace
- Interactive and engaging content that you can put into action immediately

Five Self-Paced Modules are Available

Each module includes one hour of content, but users may take all the time they need to complete them.

Dual Language Learners and their Families

This module explores the strengths and resources that dual language learners and their families bring to ECE programs.

Dual Language Learners with Disabilities

Illustrated through a classroom vignette, this module provides essential information for identifying and supporting the needs of dual language learners with disabilities in ECE settings.

WIDA Early English Language Development Standards Framework

This module provides an overview of the foundational principles and components of the WIDA Standards Framework.

Scaffolding Language Learning

Illustrated through a classroom vignette, this module explores how ECE educators scaffold children's language learning within the environment, routines, and activities.

Promising Practices

This module illustrates how ECE staff members may utilize the WIDA Promising Practices guide to begin implementing the WIDA Early Years Essential Actions.
