

Step 1

Maryland OneStop

5 Easy Steps to Submit an Application

Register for an account on the Maryland OneStop platform. **Note:** Each applicant must create their own account when submitting an application. Applicant must check associated email to verify account registration.

Step 2

After registration is complete, use the search bar to locate the application title.

Welcome to the Maryland OneStop Portal

OneStop is the central hub for Maryland State licenses, forms, certificates, permits, applications, and registrations.

Search for licenses and permits...

Step 3

On the intended application, click,

Apply Online

Step 4

Complete the application and upload **all** required documentation.

Step 5

Submit the completed application. **Note:** Applicant must check their Maryland Onestop dashboard and associated email account for all notifications, application updates and approval status.
