1	How to search the "Received Applications" list - Download or open the list of Received Applications. It is a PDF. Press the "Ctrl" and "F" keys at the same time and a box will open in the upper right hand corner of the list. Enter the program name as entered on your application or license number in the search box. The result of your search will be highlighted.	
2	As of 1/23/2022 at 6:00pm - This list includes applications that have been entered into the system by child care programs. The information is listed as entered on applications. It does not mean your application has been accepted, approved or completed in its entirety.  If your application is incomplete or more information is required, a MSDE representative will contact you.
