### Welcome

Welcome to the 2025 Basic Health & Safety (BHS) Annual Update Training. Please follow the instructions to navigate the training modules. Upon completion of the training and survey, you will receive a Certificate of Participation. Remember to enter your full name on the certificate and download it to save it for your records. Please use this information to review and update your current practices and program policies and procedures. Remember to inform families and other adults in your program of any changes you make due to the information in this update.

Thank you for your commitment, hard work, and dedication to keeping Maryland's children healthy and safe! To access the modules, click the Basic Health and Safety Annual Update 2025 button.
