Program Description

The Child Care Career and Professional Development Fund (CCCPDF) is a tuition assistance program for child care providers to earn a college degree from a college or university serving child care providers who work in Maryland. Funding is available for child care providers to earn a college degree in the following areas:

- Early Childhood Education;
- Child Development;
- Elementary Education; or
- Special Education

The Maryland State Department of Education (MSDE) Division of Early Childhood Education has been administering the program since 2008. Currently, 23 Institutes of Higher Education (IHEs) participate in the program, supporting nearly 400 child care providers pursuing a college degree. Last year, 75 child care providers completed a college degree through this program.

The Blueprint for Maryland’s Future implores MSDE to require all public and private providers to meet high-quality standards to receive public funding. To achieve that, MSDE has established programs including the Child Care Career and Professional Development Fund to assist program staff and Pre-K teachers in achieving State certifications, higher education degrees, and high-quality professional development.

Authorization

Child Care Career and Professional Development Fund, COMAR - 13A.14.09.08

GRANT OVERVIEW

Name of Grant Program

Child Care Career and Professional Development Fund

Purpose

The CCCPDF supports qualified child care providers who are completing coursework in pursuit of a degree in Early Childhood Education, Elementary Education, Child Development and Special Education or other related fields as approved by the State. Funds also support recruitment and expansion of degree attainment of child care providers for the purpose of increasing the quality of care for child care programs. Those awarded funds commit to continued service as child care providers based on the total amount of their scholarship. For example, a child care provider who earns a bachelor’s degree must commit to work as a child care provider in a licensed program for 4 years.

Dissemination

This Grant Information Guide (GIG) was released on June 15, 2023.
Deadline
Proposals are due no later than 5:00 p.m. on July 31, 2023.

Grant Period
July 1, 2023 – June 30, 2024

Funding Amount Available
$2,400,000

Eligibility
This program is designed for accredited colleges and universities with an early childhood program or related field serving Maryland early child care educators who participate in the Maryland Child Care Credential Program in order to fund child care providers toward enrollment in college-level courses to ultimately earn a college degree.

Priority must be given to child care providers who:

- Have not completed a prior degree program.
- Are currently enrolled at a community college to earn an associate degree.
- Are transferring from a community college to a university to earn a bachelor’s degree; and/or
- Are scheduled to graduate within the fiscal year.
Notes:

- Private colleges/universities that apply for participation may only be funded at the tuition rate of the nearest public college/university.
- Tuition and fees above or not allowed within the provisions of this grant cannot be billed to or incurred by the participating child care provider.
- No more than 10% of the total funding available may be used to fund a child care provider's graduate degree.

Child care providers funded under this program must meet the following requirements to be eligible (see COMAR 13A.14.09):

- Participate in the Maryland Child Care Credential Program at Level 2 or higher;
- Currently work as a child care provider in a licensed child care center or be a registered family child care provider in Maryland and work at least 10 hours per week.
- Fulfill entrance requirements at the participating college or university.
- Have at least one year of documented experience working with groups of children in an approved setting.
- Maintain employment as a child care provider in a licensed child care facility in Maryland while enrolled in college courses funded through this program.
- Agree to complete the service commitment requirement; and
- Maintain at least a 2.50 cumulative GPA from the point of first entering the program.

Participants who enroll in courses funded through this program must agree to commit to one month of service for every college credit earned. Additionally, a service commitment must be met for the following college degrees:

- Associate degree – 2 years of service
- Bachelor's Degree – 4 years of service
- Master's Degree – 2.5 years of service

Applicants are required to schedule a meeting with a college coordinator before completing an application on Maryland OneStop.
Use of Funds

Funds may be used for:

- A part-time Child Care Career and Professional Development Fund (CCCPDF) Coordinator based at the Institute of Higher Education (IHE) to administer the program and manage services with all college departments (e.g., Finance department, Academic Advising, etc.).
- Tuition, fees, and required textbooks for approved participants.
- Indirect costs (must not exceed 10% of the total fund request).

Funds may not be used for:

- Fees or costs, including tuition previously incurred for college enrollment or attendance purposes.
- Technology or equipment.
Application Requirements

COVER PAGE

Proposals must have the Proposal Cover Sheet provided in the application for participation. The cover page should not contain any graphics or additional information and must be signed by the Head of Agency.

ENROLLMENT AND DEGREE INFORMATION

Applicants must provide historical enrollment numbers for 4 years by degree type, as well as projected enrollment for the proposed grant year. Degree completion of funded program participants will also be reported for a 4-year period and the targeted number of participants to complete a college degree in the grant year.

GOALS AND OUTCOMES

Applicants are required to set an overall goal for how many new child care providers will enroll in a degree-seeking program, how many current students will remain active students, and how many students will graduate with a college degree. Determining the program goals is an important part of the next step of evaluating your program. Therefore, applicants must describe recruitment efforts and complete the chart below in their application:

<table>
<thead>
<tr>
<th>Goal 1: The percentage of child care providers recruited into the program will increase from _____% to _____% by June 2023.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Goal 2: _______ students will remain in the program, out of the _______ currently enrolled CCCPDF students by June 2023.</td>
</tr>
<tr>
<td>Goal 3: _______ students out of _________ currently enrolled will complete a college degree by June 2023.</td>
</tr>
</tbody>
</table>

IMPLEMENTATION PLAN

Service Coordination

The CCCPDF Coordinator funded under this program must be actively engaged and consistently and frequently involved in working directly with students to administer the goals of the program. The CCCPDF Coordinator's work and support is crucial to the success of the child care providers who are enrolled in coursework. In the application, IHEs must provide the frequency that the CCCPDF Coordinator will meet with students, describe how the CCCPDF Coordinator will respond to the needs of students, how the CCCPDF Coordinator will increase enrollment, and describe the process used for billing, tuition, fees, and books for approved students.

Additionally, applicants must provide a job description for the CCCPDF Coordinator in the appendix that includes the following responsibilities:
● Coordinates recruitment with child care programs.
● Develops and maintains a system to track and monitor students.
● Attends face-to-face bi-annual meetings.
● Be available for at least one monitoring visit per fiscal year.
● Guides students to complete the Maryland Child Care Credential Program prior to applying for the fund.
● Reviews student applications for completeness and signs a checklist before the application packet is submitted in Maryland Onestop.
● Submits a signed attendance time log for students referred to tutoring or additional support, including an improvement plan for GPA.
● Supports child care providers to transition or transfer to another college or university.
● Assists child care providers to complete the FAFSA and apply to other funding sources prior to applying for the CCCPDF grant.

Recruitment and Retention
Applicants must provide a plan for increasing the number of child care providers who enroll in the CCCPDF program, as well as a plan for providing academic support to those providers who are already enrolled in the program and engaged in coursework.

EVALUATION AND EVIDENCE OF IMPACT
Grantees are required to submit annual evaluation reports and quarterly progress reports that are consistent with the project’s goals and outcomes. Applicants must have a plan for evaluating the success of the program on the measures below:

BUDGET AND BUDGET NARRATIVE
The project’s budget should detail all related project expenses in a separate itemized budget. It should demonstrate the extent to which the budget is reasonable, cost-effective, and integrates other sources of funding. All costs described in the project narrative should appear in the budget narrative and must have a corresponding entry in the itemized budget for that year. Reviewers should be able to see a clear connection between the project activities and the budget line items.

1. What is the Indirect Cost rate?
2. Provide an itemized budget narrative showing how the cost of each item was calculated. It is advisable to take an inventory of existing resources before developing the budget.
3. Please use the formula functions in the "Table Tools Layout" to calculate your costs. To get your final amount, in the last cell of the "Total Requested", "Other Sources", and "Total" columns, use the formula: =SUM(ABOVE).
4. Submit the budget on the MSDE Grant Budget C-1-25 form (see appendix)
PROJECT TIMELINE

Applicants must include a timeline of proposed activities and dates of implementation.

<table>
<thead>
<tr>
<th>Proposed Activities (sample)</th>
<th>Date of Implementation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Post flyers for the program at...</td>
<td>July 19, 2023</td>
</tr>
<tr>
<td>Advising takes place for new students...</td>
<td>August 1, 2023</td>
</tr>
</tbody>
</table>
Appendices

The following appendices must be included but do not apply to the page limit of the Project Narrative. Include other appendices as deemed necessary.

- A resume for the CCPDF Coordinator
- A job description for the CCPDF Coordinator
- Resumes for key personnel.
- Budget Narrative
- A signed C-1-25 MSDE budget form
- Articulation agreement between the community college and 4-year college (if applicable)
- A signed recipient assurances page
The Review Process

The review of proposals will be a three-part process:

1. Written applications will be pre-screened for submission requirements and inclusion of all required sections. Applicants not meeting all pre-screen requirements will not be reviewed.

2. A review committee established by the MSDE will evaluate applications using the scoring rubric.

3. Final approval for awards will be determined by the review committee. All revised proposals and budgets must be resolved by conclusion of the first quarter or risk forfeiture of award.

REVIEW COMMITTEE

The committee will be composed of representatives from the Division of Early Childhood, Higher Education Commission and Career and Technology education. Reviewers will assign numerical scores to each proposal based on the criteria on the following scoring rubric.
