

Developmental Screening Resources

- Maryland's Early Intervention and Preschool Special Education (Birth through 5)

http://marylandpublicschools.org/MSDE/divisions/earlyinterv/infant_toddlers.html

- *Maryland Learning Links* is a partnership of MSDE and the Johns Hopkins University Center for Technology in Education to create a comprehensive Internet site to offer dynamic online resources and tools for educators, families, and family support providers to strengthen the instructional and educational services provided to children and youth with developmental needs and educational disabilities.

<https://marylandlearninglinks.org/>

- The Making Access Happen Toolkit, a repository of supports, learning modules, and resources is designed to provide a personalized, interactive learning experience for practitioners, providers and families in the support of evidence-based practices in early childhood settings.
