One Maryland EXCELS winner will be randomly selected every month from August 2016 through October 2016.

Maryland EXCELS is happy to announce a collaboration with Frog Street Inc. to provide the Frog Street Pre-K curriculum and learning materials to winners.

Your program must be a current Maryland EXCELS published participant on the dates of each drawing.

Frog Street's Pre-K curriculum is one of MSDE's recommended curricula.

Here's what you need to know:

- Dates of drawing - August 30, September 30, and October 28.
- Eligibility - any program that is published and participating on each date of the drawing. The program must have a current published rating at the time of the drawing.
- The program must be open and operating and currently participating in Maryland EXCELS at the time of the drawing.
- Previous winners are not eligible for subsequent drawings.
- The winner will be notified by phone and email.

The Frog Street Pre-K curriculum is a comprehensive, research-based program that integrates instruction across developmental domains and early learning disciplines. The program is engaging for both teachers and children and is easy to implement!

Frog Street also offers early childhood resources that are designed with purpose to optimize key windows of learning opportunity and follow developmental and learning continuums allowing children to use previously mastered skills to more readily achieve new skills.
