Can you provide guidance on the 14-day home quarantine when a daycare family travels out-of-state or to a hotspot? Best practice and Gov. Hogan say that they SHOULD quarantine, but many families want their kids to return to daycare immediately. Do our guidelines say that we need to enforce this rule? from Monica McGirt to everyone:

I have placed 2 ads out for staff and have not received any responses. How are we supposed to staff classrooms for these extra full-day kids without staff? Would some qualifications be relaxed to have aides with kids?

from Alexis Washington to everyone:

EXPANDED MASKING ORDER. With the unanimous support of the Maryland Coronavirus Recovery Team, Governor Hogan is expanding the statewide masking order that has been in effect since April 18.

Under this order, which takes effect Friday, July 31 at 5:00 p.m., all Marylanders over the age of five are required to wear face coverings in the public spaces of all businesses across the state.

Face coverings will also be required in outdoor public areas, whenever it is not possible to maintain physical distancing. The expanded order continues to provide certain exceptions, including for medical conditions.

Does this mean that we do not charge copayments from March 27 2020 to July 20, 2020 but right now we must charge our copayments and 60 days absence terminates their Voucher payments like the statement of understanding states.

from Shirley Robinson to everyone:

Renay Williams. I spoke with you about the voucher and thought you said would be paid for some of my missed time. I am very disappointed to know I'm out of so much money and only going to be paid from June 20, 2020. Thank You

from Kim Green to everyone:

Can you all consider taking another look at the survey online? It is not user friendly. It would be nice to set it up like the paper form sent in the mail. You have to keep entering the same information i.e. provider email and the same information for the same parent/family.
