

**How to search the "Received Applications" list** - Download or open the list of Received Applications. It is a PDF. Press the "Ctrl" and "F" keys at the same time and a box will open in the upper right corner of the list. Enter the program name or license number as entered on your application in the search box. The result of the search will be highlighted.

**As of 8/29/22 at 6:40am** - This list includes applications that have been entered into the system by child care programs. The information is listed as entered on applications. It does not mean your application has been accepted, approved or completed in entirety.

If an application is incomplete or more information is needed, a MSDE representative will contact you.
