

Saving your certificate

If you do not have a printer or want to save your certificate to access later, follow these steps:

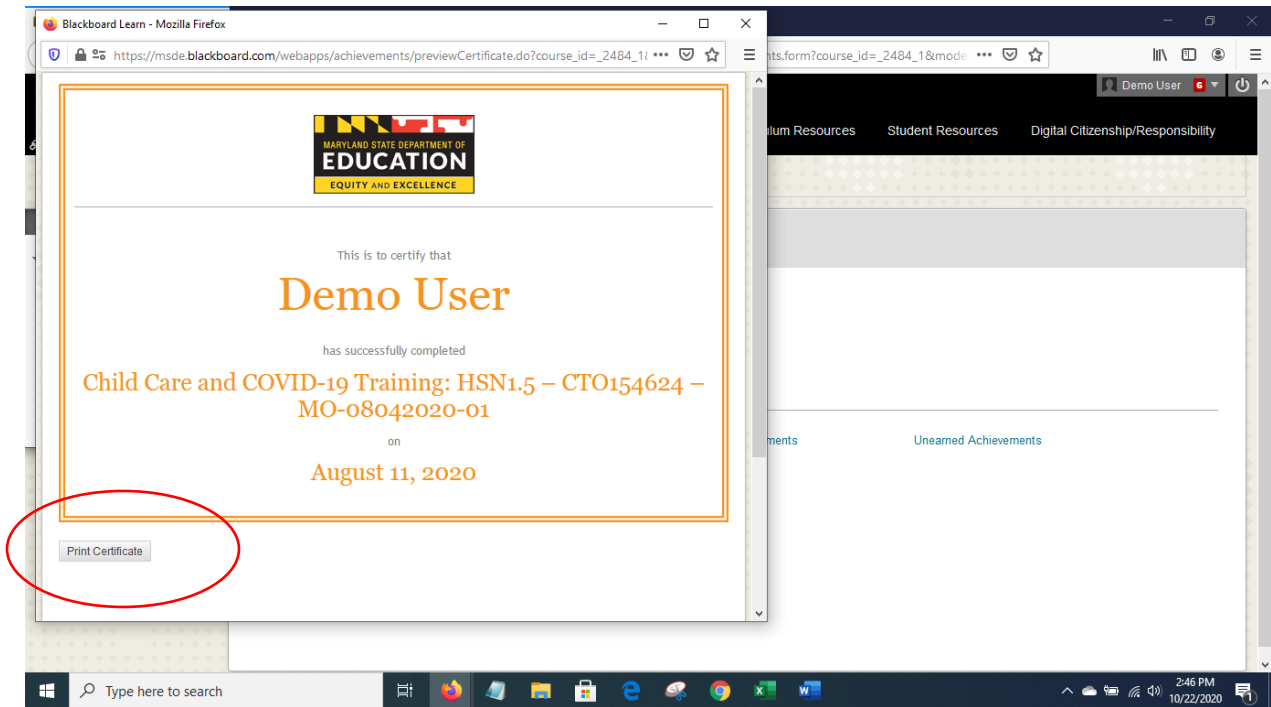

Go to “My Achievements” section in an active account. Please note: If you are not currently enrolled in the course you will not have access to your certificate.

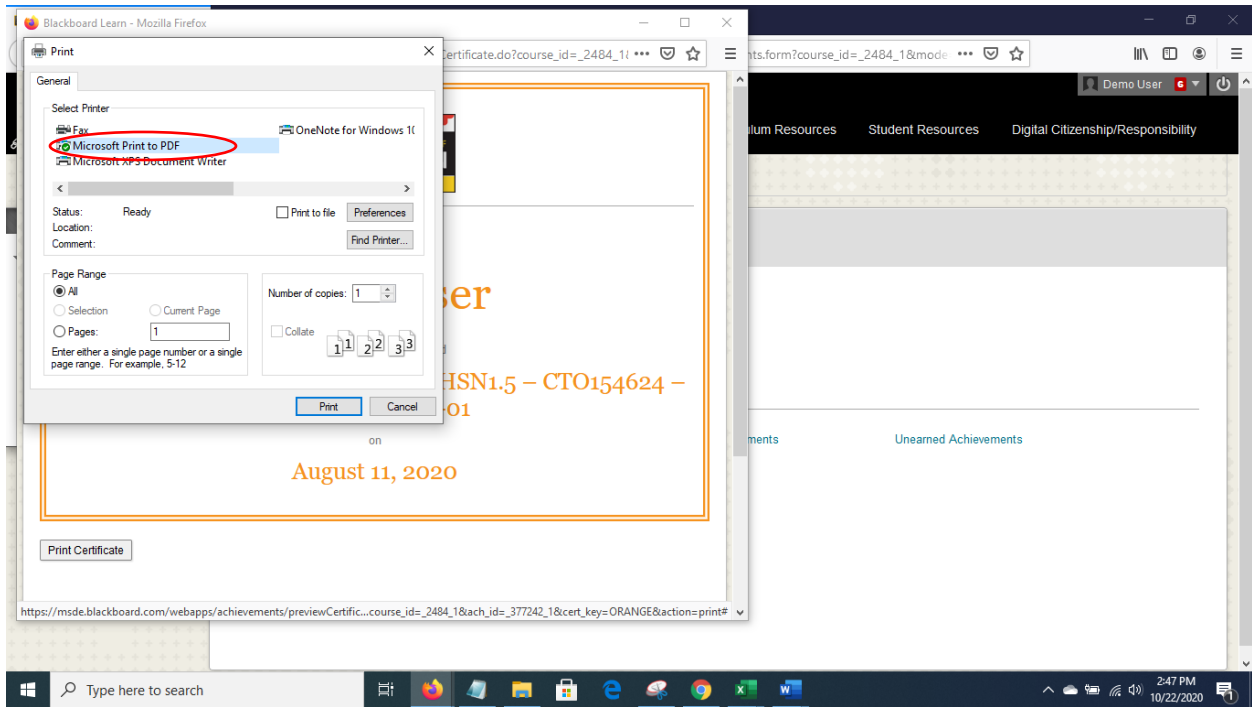

Click the printer icon. It will say "Print Certificate".

Your certificate will appear and be available for printing or saving by clicking "Print Certificate".

Select Print to PDF

Select the location on your computer you would like to save your certificate to. Then click "Save".
