Dear [Name]:

The purpose of this correspondence is to remind you of requirements to maintain your Continuing [Credential]. While your Continuing [Credential] never expires, you must submit certain information to the Office of Child Care every two years for updating purposes. This information is due on or before your anniversary date which is calculated on a two year cycle. Your anniversary month and day is noted in the remarks section of your Continuing [Credential]. The month and day will always remain as your anniversary date with the year simply changing every two years.

Attached is a list of information you must submit to my attention on or before your anniversary date. The box checked on the attached list pertains to your facility. To allow adequate time for processing, it would be greatly appreciated if you would mail the completed documents or deliver them to the Office no later than [Date].

Please notify me as soon as possible if you do not plan to maintain your Continuing [Credential]. If you have any questions about the process or about the submission of any of the required information, please let me know. I may be reached by phone at [Phone Number] or email at [Email Address]. Thank you for your cooperation in this important matter.

Sincerely,

[Name]
