## **A WEBINAR SERIES: MARYLAND STATE PRE-K PROGRAM**

**Session 1-October 14, 2021**

### ***What is Maryland State PreK?***

This session will provide an overview of the structural elements of a high-quality PreK program. We will discuss program structure, developmentally appropriate environments, the importance of early learning standards, intentional lesson planning, highly qualified teaching staff, focused and intentional professional learning opportunities that support program goals and school readiness, evidence-based curriculum, the curriculum-instruction-assessment cycle, instructional support, and inclusive practices.

**Session 2-November 9, 2021**

### ***What's in the Application?***

This session will outline the requirements of the program, breakdown the application by sections, provide clarification on each section, and introduce the types of questions found in the application and language used in the application.

**Session 3- December 9, 2021**

### ***Now You're Ready to Apply...***

This session will provide an overview of the application scoring rubric, common mistakes, and strategies to prepare for submitting the application.  
*(Prior to attending this session, attendees will view the recording of "FY 22 PreK Technical Assistance Webinar.")*
