EARLY LEARNING ASSESSMENT (ELA)

Digging into ELA Reports and Data
Live Webinar for Administrators

Webinar Date & Time

Monday, May 9, 2022 || 1:00pm - 2:00pm

Description

In this live webinar for school, district, childcare, and Head Start administrators and directors, we will take a dive into the ELA reports available in the KReady Online system. We will provide guidance on accessing and analyzing the reports and using them to make data-informed decisions.

Topics in this training include:

- ELA reports that are available for district and school administrators

- How to access your school/district's ELA reports

- How to use administrator reports to monitor ratings in KReady

- How to work within the SKB report and ELA Data Displays to answer questions about your ELA Data

How to Access the Webinar
