- Funding is available through the Child Care Career and Professional Development Fund (CCCPDF) for providers to pursue a masters degree in one of the approved areas.
  - Priority will be given to current students who are graduating with a bachelor's degree.
  - Service Commitment: **2.5 years** in a **licensed** child care facility.
    - *Completion of an associates, bachelors, and masters degree under the fund requires a **6.5** year service commitment upon completion of the masters program.*
  - Applicants must first contact the CCCPDF Coordinator at a participating University before submitting an application.
